Objections. Any party in interest may oppose the motion by filing and serving on the moving party a written objection thereto at least five (5) days prior to the preliminary hearing. The objection shall reasonably identify those matters contained in the motion which are to be at issue, and any other basis for opposition of the motion. Absent the filing of a timely response, the court may grant the relief sought without a hearing. The written objection need not be filed if the moving party sets the preliminary hearing for less than twenty (20) days after the filing of the motion, however, the opposing party must be prepared to present the information required by this rule at the preliminary hearing.

DATED this 11th day of January, 2000.
